

Facility Request Policy (revised 7-2018)

Our facility is used by several different ministries, staff, church members and the community at large. The policy for management of this facility is intended to ensure orderly access by first, the church program of ministries; second, members of the church; third, regular attenders (those individuals we have a record of attending 2-4 times per month for at least 6 months); and finally, the broader Christian community and our local community. Fees may be assessed when events fall outside of the normal operating hours of the church such as a wedding where a custodian would need to be present or an audio visual technician is needed. Fees are not assessed for use of the space for memorial services at the church. (Weddings and memorial services have a separate fee schedule/policy and are not part of this Facility Request Policy.) Fees will be charged for all non-church related events to cover expenses of an event.

When you use the building, two simple rules should guide you:

- This building is a gift of God, and it represents the sacrificial giving of many people. Use it joyfully for His glory, but do your best to take care of it.
- When you are done using the building, remember that others will follow who also want to use it to minister to people. Leave it in great shape, like you would want to find it if you were coming in to do a ministry.

Facility usage must be coordinated with the church calendar and scheduled at least one month in advance by completing this form. Exceptions to this rule would be a death or some other unforeseeable circumstance. We encourage the use of rooms as they are set up. If a group changes the room configuration, rooms must be returned to the original layout before leaving. If kitchenware, dishes, pots and pans, etc. are used, make sure they are washed, dried and returned to their appropriate places after use.

Use of kitchen equipment or audio visual equipment may require a review of operation by an authorized staff member. Use of audio visual equipment in the Sanctuary requires hiring the church AV technician (see fee schedule.)

Unless approved, facility usage should be within normal operating hours of the church (Sundays 7:30 AM to 12:30 PM; Mondays-Thursdays 8:30 AM to 8:30 PM; Fridays 8:30 AM to 4 PM; Saturdays 5:00 PM to 9:00 PM.) Friday hours for summers are 8:30 AM to 1:00 PM beginning Memorial Day through Labor Day. In consideration of the location of the church and our neighbors, the facilities are unavailable for events which will run between 12 AM and 6 AM. Church Staff will be guided by Session's determination for any requests outside the normal operating hours as listed above.

If a staff member is at the church to unlock for an event, leaders of the event should make every effort to be on time. There will be a 15 minute grace period after which the staff member will lock the church and set the alarm. If the leaders of the event are running late, a call/text should be made to the appropriate staff member. Likewise, if a staff member is on-site or comes back to the facility to lock up after an event, the event must end at the pre-determined time.

Church space may be used for instructional purposes (e.g. guitar lessons, piano lessons, voice lessons, etc.) as long as the following criteria are met:

- Instructor is a member or employee of the church;
- Lessons do not interfere with previously scheduled church activities;
- Building use protocol is followed
- Any educational or instructional activity involving minors must comply with the church's child safety policies. Instructor must submit to a background check and review the safety policies with the Director of Children, Youth, and Family Ministries if student is under 18 years of age.

The following activities are prohibited in or on church property:

- Alcoholic beverages;
- Smoking;
- Transferring of keys, key fobs or key cards;
- Removing church equipment from the premises for personal use. (Certain tables/chairs are available for events outside of the church. Contact Facilities Manager for details.)
- Moving of platform, liturgical and or musical equipment without permission;
- Children (under 18) not attended by an adult.

Any exceptions to these rules and guidelines must be approved by Session.
